ABOUT EAGLE CREST

Founded in 1981 by a Navy veteran, Eagle Crest creates officially licensed military and insignia products honoring those who serve. From military bases and museums to retail locations around the globe, our gear represents pride, honor, and history. Now, we're looking for a sharp, creative designer to help us write the next bold chapter!

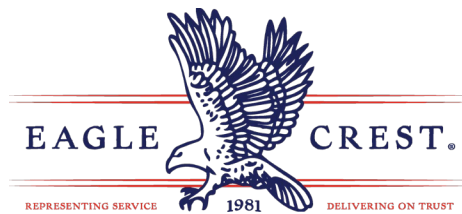

THE OPPORTUNITY

Got a passion for awesome gear, killer typography, and seeing your artwork come to life? As our Graphic Apparel Designer, you won't just be pushing pixels; you'll be designing original, head-turning apparel graphics that hit store shelves globally across Army, Navy, Air Force, and Marine Corps stores. If you thrive in a fast-paced environment, love taking projects from a quick napkin sketch to print-ready production, and want to support the military community, we want to see your work!

WHAT YOU'LL BE DOING

- **Create & Craft:** Design original and customizable apparel graphics that stand out in retail environments.
- **Bring It to Life:** Create high-impact mockups and production-ready Direct to Film (DTF) print files.
- **Own the Pipeline:** Manage artwork from initial concept all the way through licensing approval and vendor handoff.
- **Stay Organized:** Keep artwork libraries tightly structured so production runs seamlessly.
- **Boost the Brand:** Assist with exciting marketing collateral, catalogs, and sales materials for both web and print.

WHAT WE'RE LOOKING FOR

- **The Tools:** 2+ years of design experience with mastery of Adobe Creative Cloud (Illustrator, Photoshop, InDesign).
- **The Print Know-How:** Solid understanding of CMYK print processes, color separation, and preparation.
- **Eye for Detail:** Strong typography skills and a keen visual sense for retail apparel design.
- **Pace & Agility:** Ability to juggle multiple projects smoothly in a collaborative, fast-moving team environment.

Bonus Points For:

- Catalog and sales flyer layout experience
- KE Commerce or Blender experience
- Microsoft Suite proficiency
- Photography skills to showcase products!
